

SUMMARY

Our purpose in putting this information together is to provide Guiders with as much information as possible to help plan, carry out and evaluate an Independent Trip. We sincerely hope that we have fulfilled our goal. Due to time and space restrictions, an enormous amount of available information has not been included.

If you have any other pertinent information that could be added to this booklet, contact program.coord@guidesontario.org or international.advisor@guidesontario.org. Also, if you have any suggestions for material that we have not included and that you would like to see added, please forward your requests. We shall review all suggestions.

Remember, independent trip applications **MUST** be received by the Provincial International Section in accordance with established timelines. Late applications cannot be considered and will be returned to you.

We hope that all your planning and hard work will result in an adventure that you and your girls will remember for a lifetime.
