

2009-2010 Annual Registration Fee Payment Information Updated February 2010

The annual registration fee for girls wishing to participate in the Girl Guides of Canada-Guides du Canada program in Ontario is \$125. This fee provides membership in the largest organization for girls and women in the world and direct opportunities for qualified adult leadership, program activities suitable to all age groups from 5-18 years, access to summer camp programs with reduced rates for Members, opportunities to apply for scholarships, and opportunities for worldwide and local travel depending on age level.

In addition to the annual registration fee, there may be additional costs associated with weekly meetings, special activities and outings with your daughter's unit. Please speak with your daughter's leader for information on these costs.

The fee covers activities that may occur from September 1, 2009 to August 31, 2010. It is possible that your daughter's unit will not meet during that full time period, but there are always activities happening in which your daughter would be able to participate.
