

Make New Friends

Make new friends but keep the old,
One is silver and the other gold.

A circle's round, it has no end,
That's how long I want to be your friend.
I have a hand, and you have another,
Put them together and we have each other.
Sow good friends wherever you may roam,
You'll be welcome in my heart and home.

You help me and I'll help you,
And together we will make it through.

A fire burns bright, it warms the heart,
We've been friends right from the very start.
New made friends like new made wine
Grow and mature to the end of the time!
Friends like you are one of a kind,
Very special, but hard to find.

Friends are real and friends are true,
If you love them they will love you too.

Cherish friendship in your breast
New is good, but old is best;

Across the miles, across the sea
Friends forever we will always be.

Make new friends, but keep the old:
Those are silver, these are gold
