

Time With You

I can see the open fields, the tall grass a blowin' wild,
I can feel the wind in my face, hear the laughter of a child
I can tough the sunlit waters, and the early morning dew

Chorus

You are such a friendly Manitoba, I'll spend my time with you
You are such a friendly Manitoba, I'll spend my time with you, you.
I'll spend my time with you. I'll spend my time with you.
You are such a friendly Manitoba, I'll spend my time with you.

I can find a forest trail, and follow a silent stream
I can sit alone on the bank, reflecting on a dream
I can skip a skipping stone, or even catch a fish or two

Chorus

You are such a friendly Manitoba, I'll spend my time with you
You are such a friendly Manitoba, I'll spend my time with you, you.
I'll spend my time with you. I'll spend my time with you.
You are such a friendly Manitoba, I'll spend my time with you.

I have found your treasures rare, I'm richer than any king
I have found a friend in you, you really make me want to sing
I have found wherever I go, that it's my point of view

Chorus

You are such a friendly Manitoba, I'll spend my time with you
You are such a friendly Manitoba, I'll spend my time with you, you.
I'll spend my time with you. I'll spend my time with you.
You are such a friendly Manitoba, I'll spend my time with you.
