

BC Camping Committee Training Liaison Position

The BC Camping Committee is looking for a GGC Trainer or Camping Enthusiast who is passionate about delivering OAL Camping trainings (Indoor Camping, Outdoor Camping and/or Adventure Camping).

This member will serve as liaison between BC Camping and BC Training, to encourage more trainers and camping specialists to increase OAL camping training opportunities for all BC Guiders and Ranger-aged members.

This will include:

- coordinating the development and distribution of OAL Outdoor Camping virtual and hybrid models,
- coordinating and distributing the existing OAL Indoor Camping virtual slide decks,
- working closely with our OAL Adventure Facilitators to coordinate provincial OAL Adventure trainings,
- working closely with our OAL Adventure Expedition Leads to coordinate OAL Adventure Module 8 training expeditions,
- advertising OAL camping opportunities throughout BC,
- maintaining a list of BC candidates wanting OAL Camping training,
- arranging for iMIS recognition and pin distribution for those members who successfully complete provincially sponsored OAL camping training.

This member will sit on the BC Camping Committee and will actively participate in meetings and joint projects put on by that committee.
