

BC Camping Committee looking for ad hoc volunteers for camp-in-a-box projects

The BC Camping Committee needs volunteers to help with camp-in-a-box projects. This would be a 6–8-month commitment, working on specific projects. Meetings are online. We would like to have volunteers from every area.

Jobs include:

- Purchaser and budgeting
- Procurement (shopper) – source promotional items & supplies
- Program specialists – write the program guide and hold info sessions
 - Forest sustainability, ecosystems, camping & outdoor education for Sparks & Embers
 - Fisheries sustainability, ecosystems, camping & outdoor education for Guides and up
 - Indigenous education for all branches
- Project Contact – liaise (typically by email) with groups supplying program materials and groups ordering kits
- Graphics – produce graphics for crests, posters, and promotional materials
- PR – write posts for Guidepost and online promotion
