

What's new in Saskatchewan Guiding 2025-26

A Message from Your Provincial Leadership Team

As we begin the 2025–26 Guiding year, we are excited to share updates, opportunities, and resources to support you in your important role as a Guider. This newsletter highlights what's new in Saskatchewan Guiding, including the introduction of our new Districts, upcoming program initiatives, provincial events, and more.

This year, Saskatchewan Council plans on continuing a focus on strengthening support for Guiders and ensuring that all members across the province, whether urban or rural, have access to equitable opportunities to grow, connect, and thrive in Saskatchewan Guiding.

We know that Guiders are at the heart of our movement—your leadership, dedication, and creativity bring Guiding to life for girls in communities across our province. Our commitment is to provide you with the tools, information, and encouragement you need to feel confident and supported in your work.

We also recognize the importance of clear and relevant communication. Throughout the year, we'll continue to share timely updates, resources, and opportunities to make it easier for you to stay informed and engaged. At the same time, we are committed to listening—to your ideas, your opinions, and your feedback. By working together and staying connected, we can continue to build a strong, inclusive Guiding community that reflects the spirit and values of our organization.

Thank you for all you do to inspire girls, empower members, and keep Guiding thriving in Saskatchewan. Here's to a year of new opportunities, meaningful connections, and a whole lot of fun!

Megan, Sierra & Nell

Cookies

Cookies are the fuel that power Guiding! The profits from our two cookie campaigns support Guiding at all levels!

As of the 2025-26 Guiding year, the breakdown (\$72 per case) is as follows:

- Unit - \$13
- District - \$5.75
- Province - \$14.75
- National - \$4
- Cost of cookies - \$34.50 (includes manufacture and shipping)

We appreciate all of your support in making our cookie campaigns run smoothly!

Tips and tricks for successful cookie campaigns

1. When you hand out cookies to families, make sure that you use the [Unit Cookie Distribution Form](#) to sign them out.
2. Set a firm **payment deadline** (about two weeks prior to the date that cookie money is withdrawn from your unit account) for families to submit payment for their cookies.
3. Encourage families to submit payment for their cookies through a unit **Square reader**. This prevents online bill-pay mistakes and gets money into your unit account faster!
4. Make sure you fill out a cookie event form at least three days prior to selling cookies to get your event or door-to-door sales added to the online cookie finder!
5. Surplus cases may be available! If you need more cookies, check with your District Commissioner, and if none are available locally, reach out to cookies@girlguides.ca and turnbully@girlguides.ca.
6. If you are planning a cookie event or selling cookies at a large event, [consider booking a lemonade stand, sandwich board, the 10x10 promotional tent or lawn signs](#) to promote your event! At the link, choose Regina or Saskatoon, and follow the instructions to book equipment.

Order your Cookie Events Toolkit!

If your unit or District does cookie sales at a table or booth in your community, you are eligible for a free cookie events toolkit!

This toolkit contains:

- Laminated posters
 - \$6/box posters (for both classic and mint)
 - Payment method posters (for both classic and mint)
- A “Girl Guide Cookies” pennant banner
- Balloons
- Promotional postcards

To order your toolkit, please fill out the [form](#).
